

Contrasting Upholstery:

Different fabrics may be specified between seats on the Double and Triple Seat products in our Korvela Collection. In this case, price using the higher grade of the two. No additional upcharge applies.

Fabric Grades:

Refer to the fabric listings in the Graded In Program to determine fabric grades for all upholsteries from Flexxform's preferred partners. Flexxform will also provide graded-in pricing from most other suppliers, upon request. When applying the optional magnetic ganging, upholsteries less than 20 oz/yd² is recommended to ensure optimal magnetic performance.

Fabric Repeats:

Unless otherwise stated, fabric rolls are assumed to be a minimum of 54" wide. The following chart is used to calculate the additional yardage required for fabrics with a repeat. Korvela must be cut up the roll, and pattern repeats should be calculated accordingly when determining total yardage.

| Repeat | Up the Roll |
|----------|-------------|
| 1 - 5" | 15% |
| 6 - 9" | 25% |
| 10 - 13" | 30% |
| 14 - 20" | 35% |
| 21 - 27" | 40% |
| Over 28" | 45% |

Customer's Own Material (COM):

Customer supplied materials must be shipped prepaid to Flexxform Designs Inc. and must be accompanied by a NAFTA certificate of origin and a commercial invoice as required by Canada Customs. Commercial invoice must clearly indicate the description of the fabric, including the makeup or content, the selling price, and the country of origin.

COM materials must be received at least two weeks prior to the acknowledged ship date in order to avoid any delays.

COM material must be clearly identified with the following information:

- Fabric name and color
- Customer name
- Purchase order number

Flexxform reserves the right to refuse to use any COM materials that we feel will compromise the integrity of our products.

Flexxform will not be responsible for incorrect application of COM materials, unless we have been provided with application instructions by the customer.
